

TSD RENTAL MANAGEMENT SOFTWARE

Capps Van and Car Rental

Ease of Use

"TSD's system is so easy to use you can have someone who's totally green, who's never rented a car before, renting on the system in an hour," says David Cox.

Company: Capps Van and Car Rental
V.P. of Operations: David Cox
Locations: 19 in Kansas, Missouri, New Mexico, Oklahoma, Arizona, Texas
TSD Products: TSD RENTAL Management Software, WebLink, Credit Card Processing, Timeclock

Burien Toyota Rent a Car

Comprehensive Reporting

Krissy Ochoa cites the Fleet Utilization, Profitability and Maintenance Due reports as most beneficial. Ochoa relies on the Fleet Utilization Report as her daily barometer, obtaining key data such as utilization rates and revenue per day. "TSD RENTAL Software has been extremely helpful", she says.

Company: Burien Toyota Rent a Car
Dealer Principal: Dean Anderson
Rental Manager: Krissy Ochoa
Locations: Burien, Washington
TSD Products: TSD RENTAL Management Software, Credit Card Processing, Reynolds & Reynolds DMS Interface

Thrifty Car Rental

Security and Technology

"TSD's ASP ADVANTAGE has been one of the best moves we have made," says Dan Haskard. "I don't have to worry about doing back-ups, or upgrading my hardware as we grow. I no longer have racks of hardware in my office and I have 24-hour critical support with TSD."

Company: Thrifty Car Rental
Owners: Dan and Sue Haskard
 Frank and Barbara Pisano
Locations: Four in Massachusetts
TSD Products: TSD RENTAL Management Software ASP version, Credit Card Processing, Quickbooks Accounting Interface, Thrifty Reservation Link, TimeClock

#1 Thanks To Our Customers

U-SAVE Auto Rental

Profitability

"Since we began using TSD REZCENTRAL (online booking engine) to expose rates to the Internet both on the U-SAVE booking site and the travel sites, all of our locations have experienced an increase in reservations, and we have seen an average increase in business of 20%." says Dan Cogan.
